Tutorial 01: HOW TO DOWNLOAD VS2019

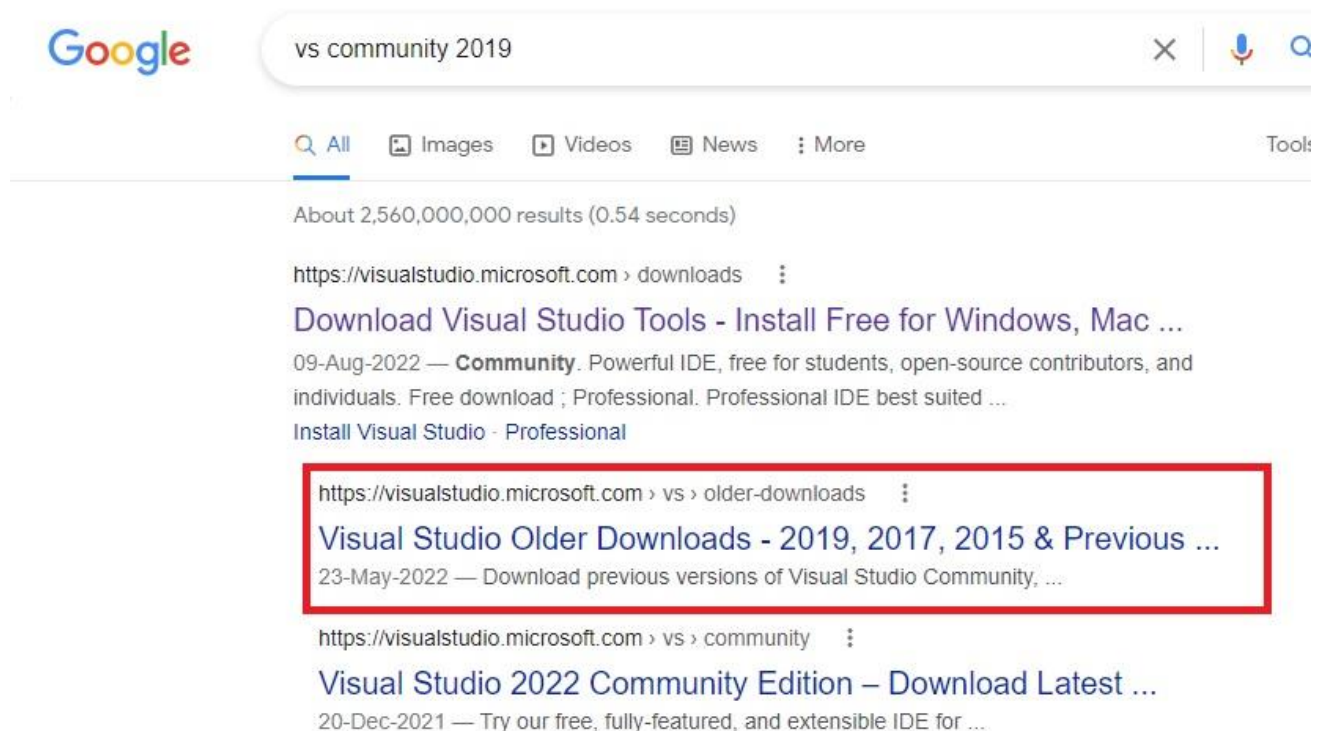

Objectives:

- How to download Visual Studio 2019

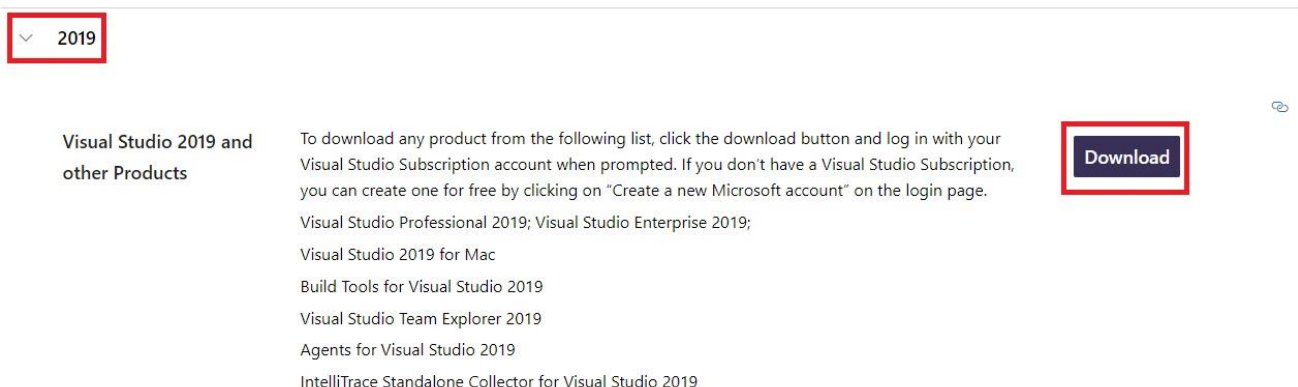

HOW TO INSTALL VS COMMUNITY 2019

Steps:

1. Google “**vs community 2019**”, and click on the highlighted link “Visual Studio Older Downloads - 2019, 2017, 2015 & Previous...”

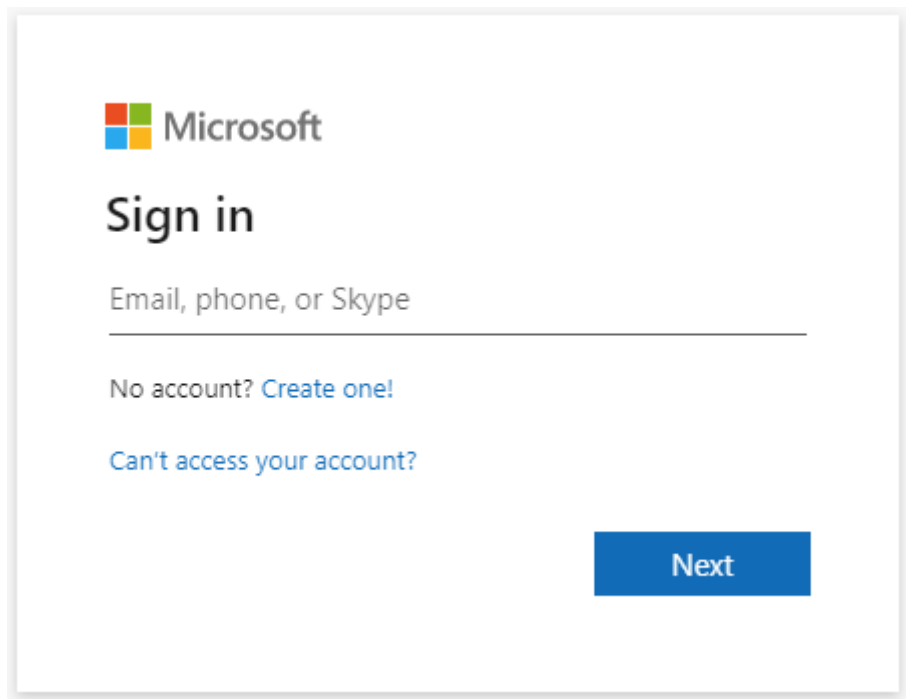

2. Expand the **2019**, and click on download **button**.

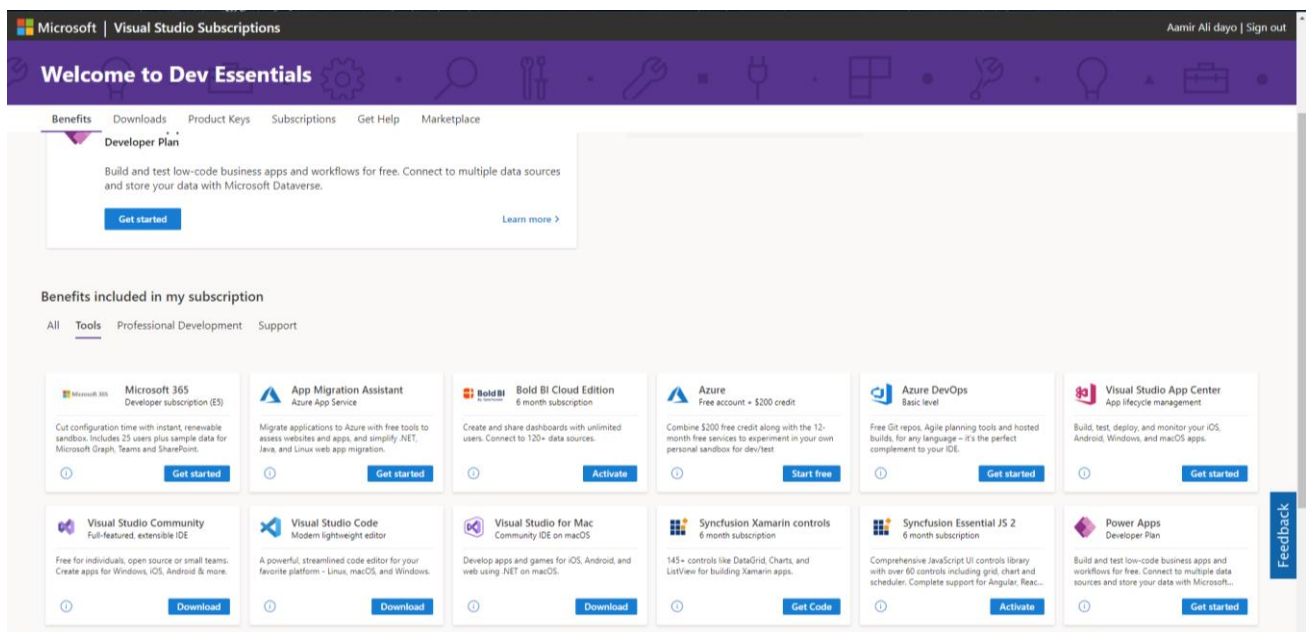

3. Log in for Microsoft account would be prompted. Log in with your Microsoft account (in case you don't have account sign up for Microsoft account).

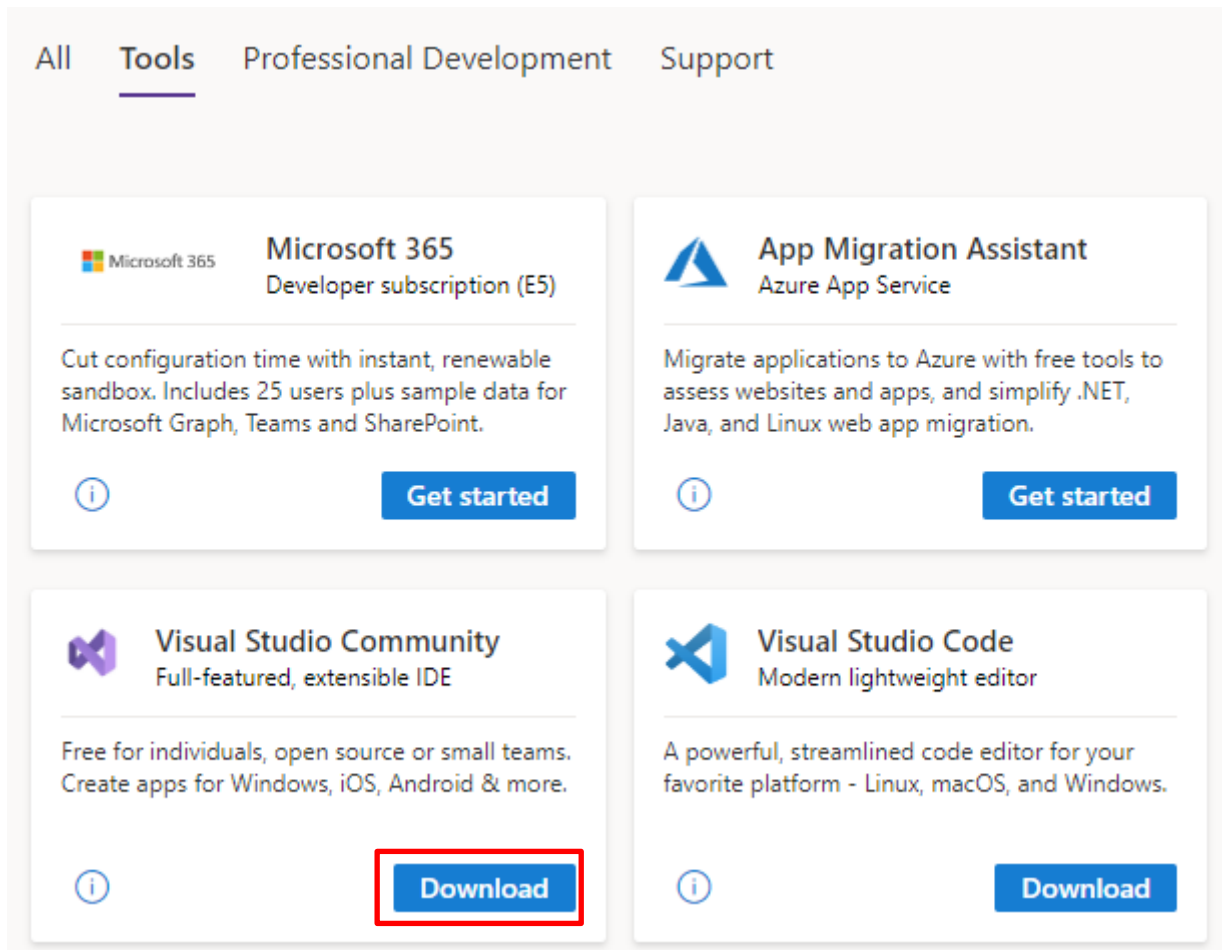

4. After log in following webpage will be opened.

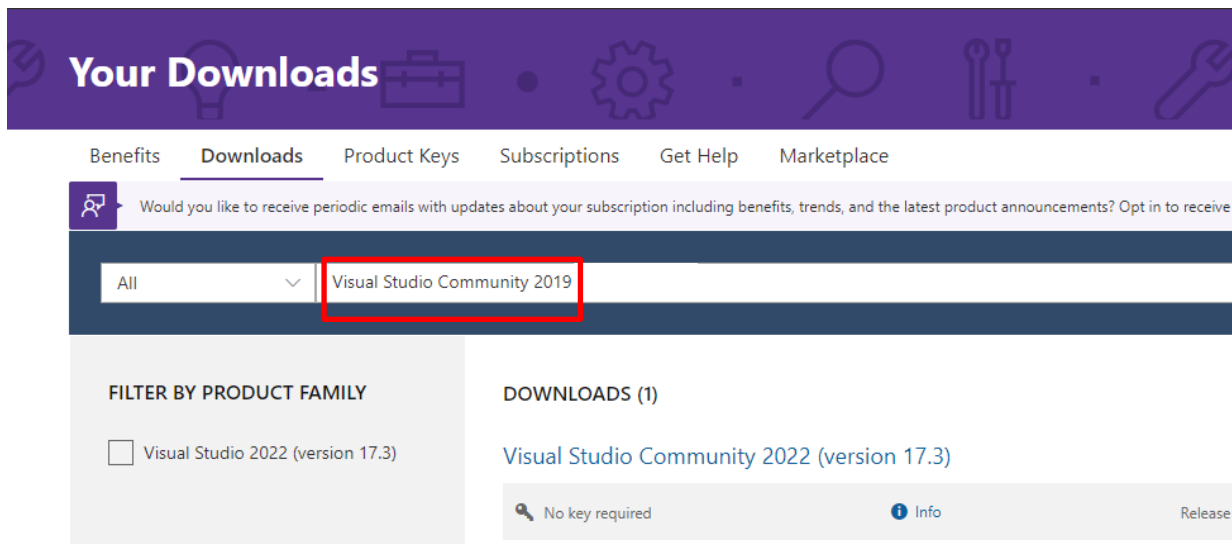

5. Click on the "Download button" of Visual Studio Community.

The screenshot shows the Microsoft Tools page with navigation tabs: All, Tools (selected), Professional Development, and Support. There are four tool cards:

- Microsoft 365 Developer subscription (E5)**: Cut configuration time with instant, renewable sandbox. Includes 25 users plus sample data for Microsoft Graph, Teams and SharePoint. [Get started]
- App Migration Assistant** (Azure App Service): Migrate applications to Azure with free tools to assess websites and apps, and simplify .NET, Java, and Linux web app migration. [Get started]
- Visual Studio Community** (Full-featured, extensible IDE): Free for individuals, open source or small teams. Create apps for Windows, iOS, Android & more. [Download] (highlighted with a red box)
- Visual Studio Code** (Modern lightweight editor): A powerful, streamlined code editor for your favorite platform - Linux, macOS, and Windows. [Download]

6. New tab will be opened like this, and write “Visual Studio Community 2019” in search bar and press enter.

The screenshot shows the 'Your Downloads' page with a navigation bar: Benefits, Downloads (selected), Product Keys, Subscriptions, Get Help, Marketplace. A notification banner asks if the user wants to receive periodic emails. Below the banner is a search bar with a dropdown menu set to 'All' and the text 'Visual Studio Community 2019' entered (highlighted with a red box). The results section is titled 'FILTER BY PRODUCT FAMILY' and shows a checkbox for 'Visual Studio 2022 (version 17.3)'. The 'DOWNLOADS (1)' section shows 'Visual Studio Community 2022 (version 17.3)' with a search icon, 'No key required', an 'Info' link, and a 'Release' button.

7. Select your requirements and download.
